

THE CENTRE FOR INTERNATIONAL SUSTAINABLE
DEVELOPMENT LAW WILL BE HOSTING
THE EXPERT PANEL EVENT:

Sustainability and Environmental Impact Assessment of Trade Negotiations: Doha and Beyond

WTO PUBLIC FORUM 2006

The Experts Panel will discuss Sustainability and Environmental Impact Assessments of Trade Negotiations as a method to ensure sustainable development through changes in process. Discussion will be based on current experiences with SIAs and EAs of the Doha Round and their methodologies, and the potential for multilateral information exchange and an institutional role for the WTO in the future.

**Monday, September 25th, 2006
from 15h00 to 16h30
WTO Building,
Geneva, Switzerland**
