Concerns: Amendment to tariff number
37.07.03 of the Portuguese
final list of concessions
to the United States

Dear Mr. Ludy,

I hereby inform you that, as a result of a material mistake, the rate of duty corresponding to tariff number 37.07.03 in the final list of concessions granted by Portugal to the United States, refers to the gross weight, when it should refer to the actual weight of the merchandise, as the Portuguese Tariff states.

Therefore, the item in question should read, in the French authentic text,

37.07	Autres films cinématographiques impres-	
	sionnés et développés, muets ou com-	
	portant à la fois l'enregistrement de	
	l'image et du son, négatifs ou positifs:	(PR) kg
03	Films cinématographiques non dénommés	220\$00

and in the English translation,

37.07	Other cinematograph film, exposed and	
	developed, whether or not incorporating	
	sound track, negative or positive:	kg (AW)
03	Cinematograph Film not specified	220\$00

Having been instructed to propose to you that the said list be amended in this terms, I hope that you will be able to let me know, in writing, that your Delegation agrees to such an amendment.

If this is agreeable to you, photocopy of this letter and of your answer would be sent afterwards by my delegation to

DELEGATION OF THE UNITED STATES OF AMERICA
to the
1960-1961 Tariff Conference

March 9, 1962

Dear Mr. Andrade:

The receipt is acknowledged of your letter No. 1 N.61.16/17/62 dated March 8, 1962, concerning the amendment to Tariff number 37.07.03 of the Portuguese list of concessions to the United States. It is noted that this amendment is to the bilateral list of Portuguese concessions to the United States which was initialed by our two delegations on November 24, 1961, copies of which were furnished to the Executive Secretary of the GATT at that time, and that the change was incorporated into the final schedule of Portuguese concessions to the United States which was attached to the Interim Agreement signed on March 5, 1962 between Portugal and the United States of America.

The United States Delegation is agreeable to your making a copy of this letter available to the Executive Secretary in order to clarify the difference between the lists of November 24, 1961 and March 5, 1962, respectively.

Sincerely yours,

A handwritten signature in cursive script that reads "Albert K. Ludy".

between
the United States of America and Portugal

The Government of the United States of America and the Government of Portugal, having carried on tariff negotiations pursuant to Article XXXIII of the General Agreement on Tariffs and Trade at the 1960-61 Tariff Conference of the Contracting Parties to the General Agreement, and desiring to enter immediately into a definitive agreement without awaiting the signature of the Protocol for the Accession of Portugal to the General Agreement, agree as follows:

I

Pending the entry into force of the Protocol for the Accession of Portugal to the General Agreement, the provisions of each party's schedule annexed hereto shall be applied by it to the other party as if this Agreement were the Protocol for the Accession of Portugal to the General Agreement.

II

The CONTRACTING PARTIES are requested to exercise the same function with respect to the schedules annexed to this Agreement as they would exercise if these schedules were schedules to the General Agreement.

III

During the effectiveness of this Agreement, the provisions of paragraph 1 of Article I of the General Agreement shall apply between the two parties, subject to any other relevant provisions of the General Agreement and to the provisions of paragraph 3 of the draft Protocol for the Accession of Portugal to the General Agreement, approved by the CONTRACTING PARTIES on December 9, 1961.

IV

This Agreement shall enter into force upon signature. However, the concessions set forth in the schedule of a party shall take effect, except as otherwise provided in such schedule, thirty days after the date on which that party has notified the other party of its intention to put such concessions into effect. A party which has put the concessions set forth in its schedule into effect shall have the right to suspend or withdraw them in whole or in part until such time as the other party gives such notification.

V

This Agreement shall terminate at such time as the Protocol for the Accession of Portugal to the General Agreement on Tariffs and Trade incorporating the schedules annexed hereto enters into force.

Done at Geneva this fifth day of March 1962.

United States of America

GENERAL NOTES

1. The provisions of this Schedule are subject to the pertinent notes appearing at the end of Schedule XX (Geneva-1947) annexed to the General Agreement on Tariffs and Trade, as authenticated at Geneva on October 30, 1947.

2. Subject to the provisions of this Schedule, to the provisions of this Agreement, and to the provisions of section 350(a)(4)(B) and (C) of the Tariff Act of 1930, the rates specified in the rate columns in this Schedule will become effective as follows:

(a) Rates in Column A will become initially effective on the day provided therefor in the proclamation by the President of the United States to carry out the provisions of this Agreement. Rates in Column B will become initially effective in each case upon the expiration of a full period of one year after the related rate in Column A became initially effective. A rate shall be considered as becoming initially effective as indicated above even though such rate reflects no change in rate of duty, and notwithstanding duty on the product or products concerned is temporarily suspended.

(b) For the purposes of subparagraph (a) above, the phrase "full period of one year" means a period or periods aggregating one year exclusive of the time, after a rate becomes initially effective, when, by reason of legislation of the United States or action thereunder, a higher rate of duty is being applied.
