## **1 ARTICLE XXII OF THE AGREEMENT ON GOVERNMENT PROCUREMENT**

### **1.1 Text of Article XXII**

#### ***Article XXII***

##### ***Consultations and Dispute Settlement***

1. The provisions of the Understanding on Rules and Procedures Governing the Settlement of Disputes under the WTO Agreement (hereinafter referred to as the "Dispute Settlement Understanding") shall be applicable except as otherwise specifically provided below.

2. If any Party considers that any benefit accruing to it, directly or indirectly, under this Agreement is being nullified or impaired, or that the attainment of any objective of this Agreement is being impeded as the result of the failure of another Party or Parties to carry out its obligations under this Agreement, or the application by another Party or Parties of any measure, whether or not it conflicts with the provisions of this Agreement, it may with a view to reaching a mutually satisfactory resolution of the matter, make written representations or proposals to the other Party or Parties which it considers to be concerned. Such action shall be promptly notified to the Dispute Settlement Body established under the Dispute Settlement Understanding (hereinafter referred to as "DSB"), as specified below. Any Party thus approached shall give sympathetic consideration to the representations or proposals made to it.

3. The DSB shall have the authority to establish panels, adopt panel and Appellate Body reports, make recommendations or give rulings on the matter, maintain surveillance of implementation of rulings and recommendations, and authorize suspension of concessions and other obligations under this Agreement or consultations regarding remedies when withdrawal of measures found to be in contravention of the Agreement is not possible, provided that only Members of the WTO Party to this Agreement shall participate in decisions or actions taken by the DSB with respect to disputes under this Agreement.

4. Panels shall have the following terms of reference unless the parties to the dispute agree otherwise within 20 days of the establishment of the panel:

"To examine, in the light of the relevant provisions of this Agreement and of (name of any other covered Agreement cited by the parties to the dispute), the matter referred to the DSB by (name of party) in document ... and to make such findings as will assist the DSB in making the recommendations or in giving the rulings provided for in this Agreement."

In the case of a dispute in which provisions both of this Agreement and of one or more other Agreements listed in Appendix 1 of the Dispute Settlement Understanding are invoked by one of the parties to the dispute, paragraph 3 shall apply only to those parts of the panel report concerning the interpretation and application of this Agreement.

5. Panels established by the DSB to examine disputes under this Agreement shall include persons qualified in the area of government procurement.

6. Every effort shall be made to accelerate the proceedings to the greatest extent possible. Notwithstanding the provisions of paragraphs 8 and 9 of Article 12 of the Dispute Settlement Understanding, the panel shall attempt to provide its final report to the parties to the dispute not later than four months, and in case of delay not later than seven months, after the date on which the composition and terms of reference of the panel are agreed. Consequently, every

effort shall be made to reduce also the periods foreseen in paragraph 1 of Article 20 and paragraph 4 of Article 21 of the Dispute Settlement Understanding by two months. Moreover, notwithstanding the provisions of paragraph 5 of Article 21 of the Dispute Settlement Understanding, the panel shall attempt to issue its decision, in case of a disagreement as to the existence or consistency with a covered Agreement of measures taken to comply with the recommendations and rulings, within 60 days.

7. Notwithstanding paragraph 2 of Article 22 of the Dispute Settlement Understanding, any dispute arising under any Agreement listed in Appendix 1 to the Dispute Settlement Understanding other than this Agreement shall not result in the suspension of concessions or other obligations under this Agreement, and any dispute arising under this Agreement shall not result in the suspension of concessions or other obligations under any other Agreement listed in the said Appendix 1.
