Final Provisions

1. Acceptance and Entry into Force

This Agreement shall enter into force on 1 January 1996 for those governments⁸ whose agreed coverage is contained in Annexes 1 through 5 of Appendix I of this Agreement and which have, by signature, accepted the Agreement on 15 April 1994 or have, by that date, signed the Agreement subject to ratification and subsequently ratified the Agreement before 1 January 1996.

*(footnote original)*⁸ For the purpose of this Agreement, the term "government" is deemed to include the competent authorities of the European Communities.

2. Accession

Any government which is a Member of the WTO, or prior to the date of entry into force of the WTO Agreement which is a contracting party to GATT 1947, and which is not a Party to this Agreement may accede to this Agreement on terms to be agreed between that government and the Parties. Accession shall take place by deposit with the Director-General of the WTO of an instrument of accession which states the terms so agreed. The Agreement shall enter into force for an acceding government on the 30th day following the date of its accession to the Agreement.

3. Transitional Arrangements

- (a) Hong Kong and Korea may delay application of the provisions of this Agreement, except Articles XXI and XXII, to a date not later than 1 January 1997. The commencement date of their application of the provisions, if prior to 1 January 1997, shall be notified to the Director-General of the WTO 30 days in advance.
- (b) During the period between the date of entry into force of this Agreement and the date of its application by Hong Kong, the rights and obligations between Hong Kong and all other Parties to this Agreement which were on 15 April 1994 Parties to the Agreement on Government Procurement done at Geneva on 12 April 1979 as amended on 2 February 1987 (the "1988 Agreement") shall be governed by the substantive⁹ provisions of the 1988 Agreement, including its Annexes as modified or rectified, which provisions are incorporated herein by reference for that purpose and shall remain in force until 31 December 1996.

*(footnote original)*⁹ All provisions of the 1988 Agreement except the Preamble, Article VII and Article IX other than paragraphs 5(a) and (b) and paragraph 10.

- (c) Between Parties to this Agreement which are also Parties to the 1988 Agreement, the rights and obligations of this Agreement shall supersede those under the 1988 Agreement.
- (d) Article XXII shall not enter into force until the date of entry into force of the WTO Agreement. Until such time, the provisions of Article VII of the 1988

Agreement shall apply to consultations and dispute settlement under this Agreement, which provisions are hereby incorporated in the Agreement by reference for that purpose. These provisions shall be applied under the auspices of the Committee under this Agreement.

- (e) Prior to the date of entry into force of the WTO Agreement, references to WTO bodies shall be construed as referring to the corresponding GATT body and references to the Director-General of the WTO and to the WTO Secretariat shall be construed as references to, respectively, the Director-General to the CONTRACTING PARTIES to GATT 1947 and to the GATT Secretariat.

4. *Reservations*

Reservations may not be entered in respect of any of the provisions of this Agreement.

5. *National Legislation*

- (a) Each government accepting or acceding to this Agreement shall ensure, not later than the date of entry into force of this Agreement for it, the conformity of its laws, regulations and administrative procedures, and the rules, procedures and practices applied by the entities contained in its lists annexed hereto, with the provisions of this Agreement.
- (b) Each Party shall inform the Committee of any changes in its laws and regulations relevant to this Agreement and in the administration of such laws and regulations.

6. *Rectifications or Modifications*

- (a) Rectifications, transfers of an entity from one Annex to another or, in exceptional cases, other modifications relating to Appendices I through IV shall be notified to the Committee, along with information as to the likely consequences of the change for the mutually agreed coverage provided in this Agreement. If the rectifications, transfers or other modifications are of a purely formal or minor nature, they shall become effective provided there is no objection within 30 days. In other cases, the Chairman of the Committee shall promptly convene a meeting of the Committee. The Committee shall consider the proposal and any claim for compensatory adjustments, with a view to maintaining a balance of rights and obligations and a comparable level of mutually agreed coverage provided in this Agreement prior to such notification. In the event of agreement not being reached, the matter may be pursued in accordance with the provisions contained in Article XXII.
- (b) Where a Party wishes, in exercise of its rights, to withdraw an entity from Appendix I on the grounds that government control or influence over it has been effectively eliminated, that Party shall notify the Committee. Such modification shall become effective the day after the end of the following meeting of the Committee, provided that the meeting is no sooner than 30 days from the date of notification and no objection has been made. In the event of an objection, the matter may be pursued in accordance with the procedures on consultations and dispute settlement contained in Article XXII. In considering the proposed modification to Appendix I and any consequential compensatory adjustment, allowance shall be made for the market-opening effects of the removal of government control or influence.

7. *Reviews, Negotiations and Future Work*

- (a) The Committee shall review annually the implementation and operation of this Agreement taking into account the objectives thereof. The Committee

shall annually inform the General Council of the WTO of developments during the periods covered by such reviews.

- (b) Not later than the end of the third year from the date of entry into force of this Agreement and periodically thereafter, the Parties thereto shall undertake further negotiations, with a view to improving this Agreement and achieving the greatest possible extension of its coverage among all Parties on the basis of mutual reciprocity, having regard to the provisions of Article V relating to developing countries.
- (c) Parties shall seek to avoid introducing or prolonging discriminatory measures and practices which distort open procurement and shall, in the context of negotiations under subparagraph (b), seek to eliminate those which remain on the date of entry into force of this Agreement.

8. *Information Technology*

With a view to ensuring that the Agreement does not constitute an unnecessary obstacle to technical progress, Parties shall consult regularly in the Committee regarding developments in the use of information technology in government procurement and shall, if necessary, negotiate modifications to the Agreement. These consultations shall in particular aim to ensure that the use of information technology promotes the aims of open, non-discriminatory and efficient government procurement through transparent procedures, that contracts covered under the Agreement are clearly identified and that all available information relating to a particular contract can be identified. When a Party intends to innovate, it shall endeavour to take into account the views expressed by other Parties regarding any potential problems.

9. *Amendments*

Parties may amend this Agreement having regard, *inter alia*, to the experience gained in its implementation. Such an amendment, once the Parties have concurred in accordance with the procedures established by the Committee, shall not enter into force for any Party until it has been accepted by such Party.

10. *Withdrawal*

- (a) Any Party may withdraw from this Agreement. The withdrawal shall take effect upon the expiration of 60 days from the date on which written notice of withdrawal is received by the Director-General of the WTO. Any Party may upon such notification request an immediate meeting of the Committee.
- (b) If a Party to this Agreement does not become a Member of the WTO within one year of the date of entry into force of the WTO Agreement or ceases to be a Member of the WTO, it shall cease to be a Party to this Agreement with effect from the same date.

11. *Non-application of this Agreement between Particular Parties*

This Agreement shall not apply as between any two Parties if either of the Parties, at the time either accepts or accedes to this Agreement, does not consent to such application.

1.1.1 Meaning of "control" in Article XXIV:6(b)

1. With respect to the term "control" in Article XXIV:6(b), the Panel in *Korea – Procurement* stated that "[t]he term 'control' does appear in Article XXIV:6(b), but it is referring there to privatization. That is, it is used in the same manner as per the analysis in *Canada – Dairy* for determining whether an entity is 'governmental' or not rather than for examining the relationship between entities."¹
