NOTES

Annualized short-term statistics may differ from the annual statistics disseminated through the WTO's online databases, publications or press releases. Data for the latest period are provisional.

1. Data can be downloaded at stats.wto.org by selecting the following indicators:

- Commercial services exports by main sector - quarterly
- Commercial services imports by main sector - quarterly

2. The publication is updated with the same frequency as the data release.

Q1 end of July

Q2 end of October

Q3 end of January

Q4 April, along with the release of preliminary annual data.

3. For more information on the methodology, please refer to the [metadata](#).
