a Figures are significantly affected by: (i) changes in the country composition of the region and major adjustment in trade conversion factors between 1983 and 1993; and (ii) the inclusion of the Baltic States and the CIS mutual trade between 1993 and 2000.

b Beginning with 1998, figures refer to South Africa only and no longer to the Southern African Customs Union.

c Membership as of the year stated.

Note: Between 1973 and 1983 and between 1993 and 2000 export and import shares were significantly influenced by oil price developments.
