

The Resolution of the Government of the Republic of Kazakhstan No.1587 of 24 October, 2000

**On the Schedule of Non-Privatisable State Property
(amended as of 18 December, 2003)**

The Government of the Republic of Kazakhstan,

Taking particular account of the Decree of the President of the Republic of Kazakhstan No.422 of 28 June 2000 “On the Schedule of Non-Privatisable State Property”,

hereby decrees that:

1. the following forms of the state property be exempted from privatization or its preliminary stages:
 - 1) Land (excluding land that may be privately owned under conditions and within the limits set by the legislation of the Republic of Kazakhstan), subsurface and water resources, flora and fauna.
 - 2) Natural zones under a special protection.
 - 3) Military organizations and sites, including property thereof, required to ensure the national security of the Republic of Kazakhstan.
 - 4) Main railroads, republican highways, which form a part of the network of international routes; and those designed for defense purposes, including accompanying engineering structures; navigable waterways, lighthouses, navigation devices and seamarks, regulating navigation and ensuring its safety;
 - 5) Main oil and gas pipelines and interregional electric networks of 220, 500 and 1,150 kW.
 - 6) Water reservoirs and hydraulic works, water control pivots, dams and barrages on water sources.
 - 7) First-aid medical organizations operating in rural areas, specialized medical centers (blood banks, maternity welfare centers, centers of radiological medicine, oncology centers; tuberculosis, HIV and AIDS centers; STD centers; mental hospitals), as well as other organizations and centers, where they are used as the only source of medical services in a specific area.
 - 8) Social protection services, children’s homes, orphanages, nursing houses, rest homes, hospitals and health resorts for the disabled, veterans of the World War II and individuals of the same status, children, and the aged.
 - 9) Secondary education organizations, implementing every citizen of the Republic of Kazakhstan’s constitutional right for education.
 - 10) Historic and cultural sites protected by the State.
- 1-1. The Republican national enterprises of the Ministry of Industry and Trade of the Republic of Kazakhstan: “The National Center of the Republic of Kazakhstan for Complex Processing of Mineral Resources” and ‘Zhezkazganredmet’ be exempted from privatization or its preliminary stages.

2. approves:

1) the schedule of a non-privatisable state property (including the preliminary stages of the privatization process) until the year 2006 (Annex 1);

2) the schedule of the joint-stock companies with non-privatisable state shares (including the preliminary stages of the privatization process) until the year 2006 (see Annex).

3. recognizes as null and voids the Resolution of the Government of the Republic of Kazakhstan No.1198 of 19 August 1999 “On the Schedule of Non-Privatisable State Property for the years 1999-2000” (SAPP of the Republic of Kazakhstan, 1999, issue 41, p.368).

4. and decrees that this resolution enters into force upon the date of its signature.

The Prime-Minister of the Republic of Kazakhstan

K. Tokaev

Annex 1
the Resolution of the Government
of the Republic of Kazakhstan
