Chairman

A.Kussainov

Approved
by the Order of the Chairman of the Committee
on Technical Regulating and Metrology of the Ministry
of Industry and Trade of the Republic of Kazakhstan
dd. April 1, 2005 No. 94

REGULATIONS
on filling in and submission of notifications of the
Informational Center on technical bars in trade,
sanitary and phytosanitary measures

These Regulations were elaborated in accordance with Article 10 of the Law of the Republic of Kazakhstan “On Technical Regulating”.

These Regulations establish the procedure of filling in and submission of the notifications of the Informational Center on technical bars in trade, sanitary and phytosanitary measures (further – the notifications).

This Regulations are designed for the Informational Center on technical bars in trade, sanitary and phytosanitary measures (further – the Informational center), as well as for the natural and legal persons and their associations, unions, the activities of which are immediately concerned with the elaboration of the normative legal instruments in the field of technical regulating, sanitary and phytosanitary measures, and other persons whose participation is envisaged by the international treaties of the Republic of Kazakhstan (further – the parties concerned).

1. General provisions

1. The notifications shall be filled in respect of the following:
 - 1) information about the normative legal instruments approved or being elaborated in the field of technical regulating and sanitary and phytosanitary measures (further – SFS measures) that may exert significant influence upon the international trade;
 - 2) information about the elaboration of the draft instrument, amendments and (or) supplements or cancellation of the normative legal instrument in the field of technical regulating and SFS measures;
 - 3) information about the elaboration of the draft instrument, amendments and (or) supplements or cancellation of the standards of the Republic of Kazakhstan;
 - 4) information about the procedures of products, service conformity verification which is currently valid or being elaborated;
 - 5) information about the sanitary and phytosanitary regulations adopted or being elaborated;
 - 6) information about the procedures of control and inspection, production and quarantine modes, procedures of approval of the allowed level of pesticides and nutrition additives which are valid in the Republic of Kazakhstan;
 - 7) information on the procedures of verification of risks, accountable factors as well as determination of the appropriate level of the sanitary and phytosanitary protection;
 - 8) information about the membership or participation of the Republic of Kazakhstan in the international and regional organizations and the international treaties on standardization, conformity verification, veterinary medicine, plant protection and quarantine, accreditation, as well as in the bilateral and multilateral agreements and engagements within the framework of the Agreements on technical bars in trade (further – TBT) and SFS measures;
 - 9) information about the sources of the published drafts of the normative legal instruments being elaborated and adopted in the field of technical regulating, SFS measures, standards or information about them.

2. Procedure of filling in and submission of notifications of the Informational Center

2. The notifications, depending on the effective term, shall be divided into:

- 1) ordinary;
- 2) extraordinary.

3. The ordinary notifications shall be submitted by the informational services to the Informational center on the stage of the elaboration of the normative legal instruments in the field of technical regulating, SFS measures, standards, their amendments and procedures of products, services conformity verification for the purpose of giving opportunity to the concerned parties – members of the World Trade Organization (further – the WTO) to learn about the intention of the country to introduce the specific regulating.

4. The extraordinary notifications shall be submitted by the informational services to the Informational center at adoption of the normative legal instruments in the field of technical regulating, SFS measures, standards, their amendments and procedures of products, services conformity verification for the purpose of notification of the concerned parties – the WTO members about introducing of the specific regulating related to the urgent issues of protection of the life and health of people, animals and plants, preservation of the environment.

The procedure of filling in the extraordinary notifications within the framework of TBT Agreements and SFS measures is shown in Annex 1.

5. The notifications to the WTO Secretariat, Committee on TBT, Committee on SFS measures and to the countries-WTO members shall be submitted in English.

6. The Informational center, by means of publishing the information about the normative legal instruments valid or being elaborated in the field of technical regulating, sanitary and phytosanitary measures, standards, their amendments and procedures of products, services conformity verification shall place them in the official printed matter of the authorized agency and in the information system of general use in the form of notifications.

7. The Informational center shall assign the identification number to the notifications submitted to the WTO Secretariat, Committee on TBT, Committee on SFS measures and to the countries-WTO members.

8. The notifications shall be filled in in accordance with the forms approved by this order.

9. The information submitted in the notifications shall completely and unambiguously define the object of notification and the grade of its conformity with the requirements of the international standards, instructions and recommendations of the international, regional and national organizations.

10. Each column of the notification shall be filled in. In case of the lack of the information the record “not known” or “not established” shall be made to the column.

11. The volume of the notifications shall be not larger than 2 pages, A4 size, Times New Roman 12 font.
