

18 October 2011

The purpose of the Newsletter¹ is to provide Acceding Governments a summary report of the meetings of the Informal Group on Accessions and to assist them with preparations for meetings and negotiations associated with their accessions. It is one of several practical steps by the WTO Secretariat to ensure transparency on accessions matters.

NEWSLETTER FOR ACCEDING GOVERNMENTS

The Ninth Meeting of the Informal Group on Accessions (IGA) took place today, Tuesday, 18 October 2011. At today's meeting, the Secretariat consulted with Members on the evolving calendar of accessions meetings for end 2011/early 2012, and provided a comprehensive briefing on the end-game calendar of the Accession of the Russian Federation for the envisaged October/November meetings. Twenty-five Delegations, including Ambassador McCook (Jamaica), Ambassador Suescum (Panama) and Ambassador Al-Otaibi (Saudi Arabia), attended the meeting.

The Secretariat briefed the IGA on: (i) the progress of the seven 2011 Accession Priorities; (ii) recent developments in other active accession processes; (iii) WP Chairmanships and appointments; and finally (iv) technical assistance, capacity-building and outreach activities.

Members noted the proposed calendar of accession meetings (annexed). Members provided guidance that meetings could only go ahead on the basis of inputs received with sufficient time for consideration and review, normally a minimum period of 4 to 6 weeks. The Secretariat was advised by Members to appropriately pace the scheduling of Working Party meetings, so as not to overburden both the Secretariat and Members, particularly in this intensive period leading to the Eighth Ministerial Conference.

On the 2011 LDCs' Accession Priorities, Members were informed that the Draft Accession Package of Samoa (containing the revised Draft Working Party Report; the Draft Consolidated Services Schedule; and, the Draft Consolidated Goods Schedule) had been circulated on 22/23 September. The final formal meeting of the Working Party on the Accession of Samoa was scheduled for 28 October. Members were further informed that the Accession of Vanuatu has been placed on the agenda of the 26-27 October General Council.

On Montenegro, the Secretariat briefed Members that positive progress has been registered in the bilateral negotiations between Montenegro and Ukraine. The Secretariat informed Members that once the results of these bilateral negotiations were deposited, the Secretariat would circulate the Accession Package and organize a meeting of the Working Party in the month of November.

The IGA was informed that the Chairmanship of the Working Party on the Accession of Algeria remained vacant. DDG Alejandro Jara has invited Members, on behalf of the Chairman of the General Council, to a separate session of the Informal Group on Accessions to discuss this vacancy.

The IGA was informed that the Geneva-based Workshop would take place in 2012.
