

PRIME MINISTER

SOCIALIST REPUBLIC OF VIETNAM
Independence-Freedom-Happiness

No: 50/2006/QĐ-BCN

Ha Noi, 07 March 2006

DECISION

On the issuance of the list of products and goods subject to quality control

PRIME MINISTER

- Pursuant to Law on Government Organization dated December 25, 2001,
- Pursuant to Ordinance on Quality of Goods dated December 24, 1999,
- Pursuant to Decree No. 179/2004/ ND-CP dated October 21, 2004 by Government providing state management on the quality of products and goods,
- As requested by Minister of Science and Technology,

DECIDE:

Article 1: Enact as attached to this Decision “the List of product and goods subject to quality control”, to serve as a base for relevant authorities to conduct respective investigation on quality of locally-made and imported products.

Article 2: Organizations, individuals who produce, trade, or import products and goods in the List mentioned at Article 1, authorities with state managerial functions on quality control and appointed technical agencies for quality control shall be responsible for the implementation of this Decision.

Article 3: Minister of Science and Technology shall be the focal point to coordinate with line ministries to implement as soon as possible Article 26 of Decree No. 179/ 2004/ND-CP promulgating state regulations on quality of products and goods so as to appoint and submit for Prime Minister’s approval the list of supplement of technical agencies who are eligible to participate in quality control activities and provide guidelines and supervision over the implementation of this Decision.

Article 4: This Decision shall come into force 15 days since the date of publishing on Official Gazette.

Article 5: Ministries, quasi-ministerial agencies, government offices, central city and provincial committees, organizations and individuals shall be responsible for the implementation of this Decision.

**FOR AND ON BEHALF OF PRIME MINISTER
DEPUTY PRIME MINISTER**
