

Organised by: Ministry of Energy/AZE

Session Type: CEO High Level Dialogue

Session Title

CEO High Level Dialogue on Enhancing Commitment to Deep, Rapid and Sustained Emission Reductions of Alliance for Industry Decarbonization

Session Description

The purpose of the CEO High Level Dialogue on Enhancing Commitment to Deep, Rapid and Sustained Emission Reductions by Alliance for Industry Decarbonization (AFID) is to bring together Executive Leaders in order to deliver key messages and jointly address the challenges related to decarbonization of industrial sectors. The CEOs will discuss progress under the Decarbonization Commitment and adopt enhanced joint Targets to 2030. This high-profile gathering of top executives demonstrates an unwavering commitment to driving the decarbonization of the industry and taking it to new heights. Discussions will center around the urgent need for enhancing commitment to deep, rapid and sustained emission reductions across different industry sectors.
