

**An introduction to International Solar Alliance and Coalition for
Disaster Resilient Infrastructure**

Virtual via Zoom and in Room W

20 October 2022 9:30 – 11:00 CET

This event is being organized in the context of "Trade and Environment Week 2022".

Abstract:

International Solar Alliance and Coalition for Disaster Resilient Infrastructure are inter-governmental organizations, which are working to address the challenges of Environment. The International Solar Alliance is working towards making solar energy available 24x7 at affordable cost to all. The Coalition for Disaster Resilient Infrastructure promotes rapid development of resilient infrastructure to respond to the Sustainable Development Goals' imperatives of expanding universal access to basic services, enabling prosperity and decent work.

Panel:

Speakers

Pragya Gupta, International Solar Alliance

Sudhanshu Mishra, International Solar Alliance
