About ePing Search Notifications Favourites

**Our Goal**  
Search and track product requirements in your export markets  
with easy access to TBT and SPS notifications from WTO Members

**About ePing**

The "ePing" is being developed to inform you about changes in SPS and TBT measures of (potential) trading partners.

The alert option allows you to subscribe to user-defined email alerts about new SPS and TBT notifications submitted to the WTO. [Register for ePing Export Alerts.](#)

With the search function, you can search all WTO SPS and TBT notifications using several criteria, or 'filters', such as keyword, objective and product (codes).

ePing is developed under the UN DESA project "Building institutional capacity in the use of trade-related International Support Measures in LDCs".

# Register and set preferences

The screenshot shows the ePing website's registration and preference setting interface. The browser window displays the URL [epingalert.org](http://epingalert.org). The page features a navigation bar with links for 'About ePing', 'Search Notifications', and 'Favourites'. The main content area is divided into two columns. The left column contains a section titled 'Products of interest' and another titled 'Markets of interest'. The right column contains a 'Personal information' section, a 'Filter preferences' section, and a 'Notifying members' section. The 'Personal information' section includes fields for 'Name' (Lotte Drieghe), 'Email' (lotte.drieghe@undp.org), 'Phone number (Optional)', 'Country' (Belgium), 'UN', and 'Other ID'. The 'Filter preferences' section includes a 'Product selection' section with a text input for 'Type product name', and two sections for 'ICS codes' and 'HS codes', each with a dropdown menu set to 'All codes'. The 'Notifying members' section includes a dropdown menu set to 'All countries'. Below these sections are radio buttons for 'Subject' (All, SPS, TBT) and 'Receive emails with notifications' (Daily, Weekly, No emails). An 'Update' button is located at the bottom of the form. The footer of the page includes the ePing logo, copyright information, and a link to 'Terms and ordering...do...'. The Windows taskbar at the bottom shows the date and time as 11:02 AM on 9/30/2015.

# Search notifications

The screenshot shows the ePing website interface for searching export alerts. The browser address bar displays `epingalert.org`. The page title is "ePing Accessing Export Alerts (Pilot version)". The navigation bar includes links for "About ePing", "Search Notifications", and "Favourites". The user is logged in, with a "Profile" link and a "Log out" button.

The main content area features a table of search results. The table has the following columns: "Title, Symbol and Description of content", "Notifier", "Issued", "Products", "Keywords", "Objectives", "Target countries", and "Comments due". The table contains four rows of notifications, all issued by the "European Union".

# Mark favourite notifications

The screenshot shows the ePing website interface. At the top, there's a navigation bar with 'About ePing', 'Search Notifications', and 'Favourites'. Below this is a search bar with various filters like 'Registration filter', 'EU', and 'Animal health'. A table of notifications is displayed with columns for Title, Notifier, Issued, Products, Keywords, Objectives, Target countries, and Comments due. A blue arrow points to the 'Favourites' tab. A blue circle highlights a 'Favourite category' dialog box that appears when a notification is clicked. The dialog box contains a 'Favourite category' field with 'bootje' entered, a 'Send me a reminder' section with a 'Reminder date' field, and a 'Completed' checkbox. There are 'Remove' and 'Save' buttons at the bottom. A large blue star icon is also visible on the right side of the image.
