

# Nigel Cory

**Mr. Nigel Cory** is the Associate Director, Trade Policy, at The Information Technology and Innovation Foundation (ITIF). Nigel focuses on cross-border data flows, data governance, intellectual property, and digital and high-tech trade issues. ITIF is an independent nonprofit, nonpartisan think tank whose mission is to formulate, evaluate, and promote policy solutions that accelerate innovation and boost productivity to spur growth, opportunity, and progress. The University of Pennsylvania has ranked ITIF as the world's leading think tank for science and technology policy. Before ITIF, Nigel worked for eight years in Australia's Department of Foreign Affairs and Trade.
